## Guest of honor, Movie „Bulb Fiction“, Austria

Sehr geehrter Herr Rohde,

es war mir eine Ehre und ein Vergnügen, auf dem großartigen Lightsymposium eingeladen zu sein.

Inzwischen wieder zuhause in Wien denke ich noch immer gerne an die vielen spannenden Präsentationen, an die anregende Diskussion nach der Vorführung von BULB FICTION und die vielen fruchtbaren Gespräche mit den anderen TeilnehmerInnen.

Noch einmal Vielen Dank für die Einladung!

Mit freundlichen Grüßen

## Participant, M.A. Lichtdesign, Germany

Vielen Dank noch einmal für die gute Organisation, die umfassenden Vorträge und die spannenden Inputs auf dem Light Symposium 2012!

Es war sehr informativ und hat Spass gemacht die Universität sowie die alten Kommilitonen und Professoren wiederzusehen. ...

Vielen Dank!

Freundliche Grüße

## Speaker, PhD in architectural lighting at the Department of Architecture, Switzerland

Hi Michael,

Yes, I know it was really good to see you as well. The conference was really well organized and I know the responsible Person behind it all ;-)  
But I knew it since I have met you that this kind of Professionalism can be expected only from few people and its very rare!  
So congrats one more time.

Silver Sponsor, United Lighting Technology, USA

I didn't get a chance to thank you for giving me and ULT the opportunity of participating in the Symposium, so I would like to do so through this e-mail.

From the moment you arrive in Wismar, you are surrounded by a buzz of great people that are enthusiastic, welcoming and amazingly cheerful during a time of year, ...

Your students past and present are a wonderful group of people, I can't say that I met a single person there that wasn't interesting.

Personally, I am extremely honored that we had a chance to sponsor the event and take part in this wonderful learning opportunity.

Please do let me know of any future workshops or lighting events that occur in association with PLDA & Wismar, as I would love to come back and visit.

Thanks,
