

Prof. Michael F. Rohde FILD, IALD, LiTG

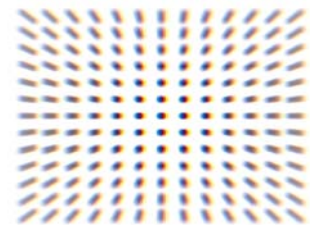

Professor Michael F. Rohde completed his studies of architecture at Karlsruhe University. After three years of practice as an architect, he obtained a Master of Science degree in Light and Lighting from the Bartlett School of Architecture at UCL in London.

In 1998 he founded L-Plan Lighting Design, an independent lighting design practice in Berlin. He has wide experience of lighting in all areas of artificial and day lighting design.

Since September 2006, Professor Rohde has been teaching as a Professor of Architectural Lighting Design and Architecture at the Hochschule Wismar, University of Technology, Business and Design Wismar, Germany.

Michael currently works primarily as an independent lighting designer and as an educator.
